Question 32

On a two-lane highway where passing is not safe, you should:

1. Use the shoulder to pass
2. Honk until the driver ahead pulls over
3. Keep a safe following distance and be patient
4. Tailgate the car to encourage faster driving

Question 33

During winter conditions, you should:

1. Accelerate hard from a stop
2. Leave extra space and slow down
3. Use cruise control
4. Tailgate large vehicles for a better view

Question 34

How often should you check mirrors while driving?

1. Every 30 seconds
2. Every 5 minutes
3. Regularly, about every 5–10 seconds
4. Only when you notice traffic

Question 35

On icy roads, stopping distance can be:

1. Shorter than on dry roads
2. The same as dry roads
3. Up to 10 times greater
4. Unaffected by speed

Question 36

Shoulder checks are needed:

1. When changing lanes
2. When turning right or left
3. When merging
4. All of the above

Question 37

A red 'X' over a lane means:

1. You may use that lane
2. The lane is closed
3. Pedestrians may be crossing
4. You can stop in that lane

Question 38

If you must make a phone call while driving:

1. Hold the phone in your left hand
2. Use a hands-free system or pull over safely
3. Rest the phone on the steering wheel
4. Text rather than call

Question 39

When driving at night, your speed should be:

1. The same as daytime
2. Faster if fewer cars are on the road
3. Slower if visibility is reduced
4. Whatever your headlights illuminate

Question 40

'ABS' in your vehicle stands for:

1. Anti-Break System
2. Anti-Lock Braking System
3. All Brake Systems
4. Automatic Braking Sensor

Question 41

What does a yellow 'merge' sign indicate?

1. Road ends soon
2. Two roads diverge
3. Lanes will converge into one
4. Pedestrian crosswalk ahead

Question 42

When parking downhill with a curb, you must:

1. Turn wheels away from the curb
2. Turn wheels toward the curb
3. Keep wheels straight
4. Leave your car in neutral

Question 43

If the traffic signal is out of order at an intersection, you should:

1. Treat the intersection as a 4-way stop
2. Drive through quickly
3. Proceed as if you have a green light
4. Wait for police to arrive

Question 44

When your visibility is reduced by fog, you should:

1. Use high beams
2. Use low beams or fog lights
3. Turn off headlights entirely
4. Drive at posted speed limit

Question 45

You must maintain a minimum following distance of 2 seconds:

1. At all times, increasing it in bad weather
2. Only on highways
3. Only in ideal conditions
4. Only when in a hurry

Question 46

A solid yellow center line next to a broken yellow center line means:

1. Passing is allowed from both sides
2. Passing is allowed from the side with the broken line
3. Passing is allowed only in daylight
4. No passing is allowed at all

Question 47

The best way to handle a curve is:

1. Speed up before the curve
2. Brake during the sharpest part of the curve
3. Slow down before entering, then gently accelerate
4. Coast in neutral gear

Question 48

Hydroplaning occurs when:

1. Tires lose contact with the road on a wet surface
2. Engine overheats on a hot day
3. Brakes fail during a thunderstorm
4. Headlights reflect in the water

Question 49

If a bus is signaling to re-enter traffic from a bus bay, you should:

1. Honk to warn the bus driver
2. Yield and let the bus merge
3. Speed up to pass the bus first
4. Stay behind for 1 km

Question 50

When is it permissible to drive with only your parking lights on?

1. At dusk or dawn
2. In place of headlights at night
3. Only when parked
4. Whenever it's raining

Question 51

A green arrow displayed with a red light allows you to:

1. Turn in the direction of the arrow
2. Go straight
3. Make a U-turn
4. Ignore the red light entirely

Question 52

A fully-licensed driver accumulates 15 demerit points in 2 years. What happens?

1. The driver is fined only
2. The license is suspended for 30 days
3. The driver takes a driver-improvement course only
4. Nothing happens

Question 53

If the roadway is flooded, you should:

1. Drive quickly through the water
2. Attempt to drive around or wait until it recedes
3. Turn on high beams and proceed
4. Follow another car closely

Question 54

If you are turning right at an intersection and a pedestrian is crossing, you should:

1. Turn before the pedestrian is halfway
2. Stop and wait until the pedestrian has crossed
3. Honk to let them know you're turning
4. Turn behind the pedestrian quickly

Question 55

When backing up your vehicle:

1. You only need to check the rear-view mirror
2. Look over your shoulder, check mirrors, and go slowly
3. Rely on backup cameras exclusively
4. None of the above

Question 56

If you see an animal on the road, you should:

1. Honk loudly and drive straight
2. Slow down, be prepared to stop
3. Swerve dramatically
4. Accelerate to scare it off

Question 57

You must keep a valid insurance card in your vehicle:

1. Only when traveling out of town
2. At all times
3. Only when asked by a passenger
4. Only on weekdays

Question 58

When driving near cyclists, you should:

1. Give them plenty of space
2. Honk frequently to warn them
3. Pass them at high speed
4. Cut them off if they're too slow

Question 59

Before making a U-turn, you must:

1. Signal, check mirrors, shoulder check, ensure it's legal
2. Honk twice
3. Perform the turn as quickly as possible
4. Check only your rear-view mirror

Question 60

An emergency vehicle with flashing lights is behind you on a two-lane road. You should:

1. Speed up to get away
2. Move to the right and stop
3. Move to the left lane
4. Ignore it

Question 61

If a traffic light turns yellow just as you approach, you should:

1. Speed up to cross before red
2. Stop if you can do so safely
3. Continue at the same speed
4. Sound your horn and proceed

Question 62

Driving under the influence of drugs carries:

1. The same penalties as driving drunk
2. No penalties
3. Only a warning
4. A small fine

Question 63

When approaching a roundabout, you should:

1. Yield to traffic already in the roundabout
2. Enter immediately without slowing
3. Stop in the roundabout to pick up passengers
4. Drive clockwise around the circle

Question 64

Why is it dangerous to tailgate a large truck?

1. Your vehicle will get less wind resistance
2. The truck driver can see you better
3. You are in the truck's blind spot
4. It saves you fuel

Question 65

What is the penalty for not stopping for a stopped school bus with flashing lights?

1. \$100 fine
2. A warning ticket
3. You could lose your license or get a hefty fine
4. No penalty if no children are crossing

Question 66

If you must stop on the road in heavy fog, you should:

1. Keep driving
2. Turn off all lights
3. Pull completely off the road and use hazard lights
4. Stop in your lane with hazard lights on

Question 67

When towing a trailer, you must:

1. Drive 20 km/h below the limit
2. Ensure the trailer lights and connections are secure
3. Carry passengers in the trailer
4. Weave in and out of lanes

Question 68

When do pedestrians have the right-of-way at intersections?

1. Only on weekends
2. Only at controlled intersections
3. Whenever they are lawfully in the crosswalk
4. Never, vehicles have priority

Question 69

The best way to reduce the risk of hydroplaning is:

1. Use cruise control in the rain
2. Drive faster to splash water away
3. Drive slowly and ensure tires have good tread
4. Inflate tires to maximum pressure

Question 70

If you refuse a breathalyzer test when stopped by police, you could face:

1. No consequence
2. A 90-day license suspension
3. A 24-hour suspension only
4. A small administrative fee

Question 71

A novice driver is someone who:

1. Has a full G license
2. Has less than 2 years of driving experience or a G1/G2
3. Drives commercial trucks
4. Has an international license

Question 72

When you see a sign with a curved arrow to the left and a smaller road entering from the right, it means:

1. Road merges ahead
2. Speed limit is reduced
3. There is a junction to the right on a left curve
4. 4-way intersection ahead

Question 73

A fully-licensed driver who collects 9 demerit points may have to:

1. Pay a higher fee but keep driving
2. Attend an interview or re-exam
3. Surrender their license immediately
4. Do nothing

Question 74

At a red light with no sign prohibiting a turn, you may:

1. Turn right after coming to a full stop
2. Turn left immediately
3. Turn right without stopping
4. Not turn at all

Question 75

The maximum speed limit on most Ontario roads, unless otherwise posted, is:

1. 40 km/h
2. 50 km/h
3. 80 km/h
4. 100 km/h

Question 76

When you see a large truck turning right, you should:

1. Pass it on the right
2. Stay behind and do not pass
3. Pull alongside to see clearly
4. Honk to encourage faster turning

Question 77

If weather conditions are poor, you should:

1. Drive the posted speed limit
2. Reduce speed and increase following distance
3. Only use hazard lights
4. Stop driving completely

Question 78

You should avoid driving when you are:

1. Well rested
2. Angry or upset
3. Using prescription glasses
4. Wearing seatbelts

Question 79

The two-second rule is used for:

1. Measuring reaction time
2. Maintaining a safe following distance
3. Timing traffic lights
4. Determining speed on a highway

Question 80

When must you yield to an oncoming vehicle?

1. When turning left at any intersection
2. When going straight
3. When turning right on a green light
4. Never

Question 81

If you are involved in a collision, you must:

1. Leave immediately if damage is minor
2. Stop, exchange information, call police if needed
3. Only provide info if the other driver is at fault
4. Keep driving to the nearest gas station

Question 82

When the police or law enforcement signals you to pull over:

1. Ignore them if you did nothing wrong
2. Pull over safely and promptly
3. Continue driving to your destination
4. Stop abruptly in your current lane

Question 83

An orange triangle with a red border on the back of a vehicle means:

1. This is a school bus
2. This is a wide vehicle
3. This is a slow-moving vehicle
4. This is an emergency vehicle

Question 84

If a train is coming and the crossing gates are down, you should:

1. Drive around the gates if no train is visible
2. Stop and wait until the gates go up
3. Back up quickly
4. Flash your lights at oncoming cars

Question 85

When parking on a roadway at night, you should:

1. Leave high beams on
2. Leave low beams on
3. Use parking lights or hazard lights
4. Turn off all lights

Question 86

A flashing green light at an intersection means:

1. Pedestrian crossing only
2. You may go straight, turn left, or right if safe
3. You must stop first
4. The signal is broken

Question 87

To avoid fatigue on a long trip, you should:

1. Drive continuously without breaks
2. Drink alcohol in moderation
3. Take regular rest stops
4. Drive faster to get there sooner

Question 88

If you fail to stop for a school bus, you could receive:

1. No penalty if you didn't see it
2. A warning only
3. A substantial fine and possible license suspension
4. Just a note on your record

Question 89

When turning left at a green light, you must yield to:

1. Vehicles turning right
2. Oncoming traffic and pedestrians
3. No one, you have the right-of-way
4. Large trucks only

Question 90

Before driving in winter, you should:

1. Warm the car for 30 minutes
2. Clear all snow and ice from windows and lights
3. Turn on high beams constantly
4. Deflate tires slightly for better grip

Question 91

The use of seatbelts in a moving vehicle is:

1. Optional if driving locally
2. Mandatory for drivers and passengers
3. Required only for children
4. Only for highway driving

Question 92

If your license is suspended, you:

1. May drive only in emergencies
2. May not drive under any circumstance
3. May drive with a licensed passenger
4. May drive only on minor roads

Question 93

When a police officer signals you to come to a stop, you:

1. Must always come to a stop immediately
2. May ignore if no wrongdoing
3. Continue if you see no danger
4. Stop only if the lights are on

Question 94

If you are stranded in winter conditions, you should:

1. Leave your car and walk for help immediately
2. Stay with your vehicle, run engine occasionally for heat
3. Start a fire under your car
4. Honk continuously

Question 95

A G1 driver must:

1. Drive alone at night only
2. Always have a G-licensed driver (4+ years) in the front seat
3. Drive on highways at 130 km/h
4. Carry only family members as passengers

Question 96

If your car fails an emissions test, you must:

1. Stop driving immediately
2. Fix the problem before renewing your plate
3. Pay a small fee to ignore it
4. Only drive at night

Question 97

An uncontrolled intersection means:

1. There are no traffic lights or signs
2. Speed limit is 80 km/h
3. You must turn left
4. Police are controlling traffic

Question 98

When driving in a roundabout, you should:

1. Keep left
2. Drive clockwise
3. Keep right and go counterclockwise
4. Stop in the center of the roundabout

Question 99

Defensive driving means:

1. Driving aggressively to deter others
2. Anticipating hazards and reacting safely
3. Driving slowly at all times
4. Using your horn often

Question 100

If someone is tailgating you, the best action is to:

1. Brake hard to warn them
2. Increase your following distance from the car ahead
3. Speed up to get away from them
4. Honk continuously

Question 101

Which light should you use while driving in dense fog?

1. Parking lights
2. Hazard lights
3. Low beam lights
4. High beam lights

Question 102

Driver must change lights from high beam to low beam when following behind a vehicle within

1. 80 m
2. 60 m
3. 40 m
4. 20 m

Question 103

You should only change lanes by

1. Blowing horn and letting other drivers know.
2. Decreasing your speed on the highway and carefully changing lanes.
3. Giving a hand signal and changing lanes.
4. Giving a proper signal and ensuring the lane change can be done safely.

Question 104

Upon hearing the siren of an emergency vehicle, what should you do according to the law?

1. Pull to the right and keep driving
2. Pull to the left and keep driving
3. Pull to the right and stop
4. Pull to the left and stop

Question 105

Which of the following documents must you produce as a vehicle owner to the on-duty police officer?

1. Vehicle insurance card
2. Vehicle ownership certificate
3. Driver's license
4. All of the above

Question 106

If a car accident damage exceeds \$1000, it must be reported to the police officer or when

1. Total cost of accident is \$900
2. It is working hours for police
3. There is a personal injury
4. None of the above

Question 107

When the light turns green at the intersection, who has the right-of-way over everyone else?

1. Vehicles turning right at green light
2. Vehicles turning left at green light
3. Pedestrians crossing with a green light
4. None of the above

Question 108

If you are a G1 license holder, you must drive only when accompanied by

1. G license holder with 4 years of experience
2. G1 license holder with 3 years of experience
3. G2 license holder with 2 years of experience
4. G2 license holder with 3 years of experience

Question 109

While the pedestrian is crossing the road and the traffic signal changes, who has the right-of-way?

1. Vehicles going left
2. Pedestrian
3. Motorists
4. None of the above

Question 110

In case of an accident involving you, it should be reported to a police officer. How soon should you provide an accident report?

1. Within 4 hours
2. Within a day
3. As soon as possible
4. Within a week

Question 111

Your driver's license could be cancelled for

1. Not giving re-examination
2. Surrendering your license to MTO
3. Reinstatement fee not paid
4. All of the above

Question 112

If an individual drives a vehicle while disqualified

1. Vehicle impounded for 6 months
2. \$500 fine or 6-month imprisonment or both
3. License suspension for half a year
4. Any of the above

Question 113

The default speed limit in towns, cities, and villages is

1. 40 km/h
2. 50 km/h
3. 60 km/h
4. 70 km/h

Question 114

What should you do while facing a red light at an intersection?

1. Proceed if the way is clear
2. Proceed if lights are green
3. Proceed when lights are yellow
4. None of the above

Question 115

What should you do if you see a flashing yellow light at an intersection?

1. Stop until lights turn green
2. Do not slow down and proceed
3. Slow down and proceed
4. Come to a complete stop

Question 116

While holding a G2 driving license, your blood alcohol level must be lower than

1. 0.05%
2. 0.08%
3. 0.00%
4. 0.04%

Question 117

What should you do while overtaking a motorcycle (two-wheel vehicle)?

1. Overtake the motorcyclist like you overtake a car
2. Blow horn to warn them and pass in the same lane
3. Use high beam lights to alert the motorcyclist then overtake
4. None of the above

Question 118

Over driving your vehicle headlights could be very dangerous because

1. It will overload headlight components
2. Speed of the vehicle is very fast
3. Headlights would not produce enough brightness to see clearly
4. You will not be able to stop your vehicle within the distance you can see

Question 119

If you had a G2 license for less than half a year and you are under 20, then

1. No passengers under 20 years between 12am and 5pm
2. Max 1 passenger under 20 years between 12am and 5pm
3. Max 2 passengers under 20 years between 12am and 5pm
4. Max 3 passengers under 20 years between 12am and 5pm

Question 120

If you had a G2 license for more than half a year and you are under 20, then

1. No passengers under 20 years between 12am and 5pm
2. Max 1 passenger under 20 years between 12am and 5pm
3. Max 2 passengers under 20 years between 12am and 5pm
4. Max 3 passengers under 20 years between 12am and 5pm

Question 121

What is the meaning of the “No Parking” sign according to the law?

1. No parking of vehicle in that area
2. Parking only if there is no traffic
3. Parking only if it is urgent
4. None of the above

Question 122

Drivers must use low beam when

1. Individual is 50 m behind another vehicle
2. Individual is 100 m behind another vehicle
3. Individual is 150 m behind another vehicle
4. Individual is 200 m behind another vehicle

Question 123

What should be your ideal position while you turn left on a two-way road?

1. Left lane
2. Right lane
3. Center line of the roadway
4. Your current lane

Question 124

What will happen if you drive with a G1 license without supervision?

1. \$110 fine and 30-day license suspension
2. 2-month license suspension
3. \$200 fine
4. Both B and C

Question 125

When a vehicle stops on a street with no safety zone, at what distance behind should you stop your car?

1. 2 m behind the rearmost door
2. 2 m behind the front door
3. 4 m behind the rearmost door
4. 4 m behind the front door

Question 126

When you just reach an intersection and the light changes to yellow, what should you do?

1. Stop carefully if possible
2. If you cannot stop safely, proceed carefully
3. Speed up and pass the intersection
4. Both A and B

Question 127

You can do the action below while your driver's license is suspended:

1. Drive a car
2. Drive a car between 9am to 5pm
3. Drive a car under an emergency situation
4. None of the above

Question 128

According to the law, when should you turn on vehicle lights?

1. 30 minutes before sunset and 30 minutes after sunrise
2. If you cannot see properly at a distance of 150 m or less
3. 9am to 5pm
4. Both A and B

Question 129

When you see a yield sign, what should you do according to the law?

1. Slow down for some time and then speed up
2. Slow down, stop if needed, give way
3. Slow down, don't stop
4. Come to a complete stop and give way

Question 130

While approaching a flashing light at a railway crossing, what should you do?

1. Stop 5 m from the rail track
2. Stop 10 m from the rail track
3. Stop 15 m from the rail track
4. Stop 20 m from the rail track

Question 131

When you see a stop sign, you must

1. Slow down and carefully pass
2. Come to a complete stop and proceed if it's safe
3. Use horns and proceed carefully
4. Speed up

Question 132

If you drive 50 km/h over the specified speed limit of the road, what legal action will be taken against you?

1. License suspension for 1 month
2. License suspension for 2 months
3. License suspension for 3 months
4. Vehicle impounded for 6 weeks

Question 133

While driving your car away from the parked zone, you should

1. Give signal, then proceed
2. Check traffic, signal, proceed when it is safe
3. Proceed your vehicle, no need to give signal
4. **Both A and B**

Question 134

When you get 15 demerit points on your license, your license is

1. Suspended permanently
2. **Suspended for 30 days**
3. Suspended for 2 months
4. None of the above

Question 135

Under what condition can you lend your driver's license for a day?

1. Under emergency
2. If someone from the vehicle needs identification
3. In some special situations
4. **Never**

Question 136

When does a driver need to give a re-exam?

1. At 3 demerit points
2. At 6 demerit points
3. **At 9 demerit points**
4. At 12 demerit points

Question 137

To ensure safety while driving your vehicle down a steep hill, what should you do?

1. Use a low gear so the engine can assist with braking
2. Put your vehicle in neutral gear
3. Either A or B
4. None of the above

Question 138

What should you do when another car is trying to overtake you?

1. Stop your vehicle and let the other vehicle pass safely
2. Move to the left and stop
3. Move to the right and let the vehicle pass
4. Move to the right and stop

Question 139

An individual wants to turn right at a red light, what is the right thing to do?

1. Signal, come to a complete stop, make right turn without disturbing traffic
2. Slow down, signal, merge into the turn
3. Proceed with caution, do not stop under any case
4. None of the above

Question 140

Under what circumstance can you pass a vehicle from the right side?

1. You can always pass from the right side
2. Two lanes sharing the same road
3. Two or more lanes in the same direction
4. Never

Question 141

Is the driver responsible if passengers are not wearing seatbelts?

1. For the passenger seated at the front
2. For the passenger seated at the back
3. For passengers aged 5 to 16
4. For passengers aged 5 to 12

Question 142

What does a red light with a green arrow mean?

1. Proceed carefully in the direction of the arrow and watch out for pedestrians
2. Stop your vehicle
3. Green arrow is for pedestrians
4. None of the above

Question 143

According to the law, a green flashing signal represents

1. You may turn left
2. You may turn right
3. You may go straight
4. All of the above

Question 144

When should you be very careful while making a U-turn?

1. From 0 m to 150 m of a tunnel if view is not clear
2. 30 m from a rail track
3. None of the above
4. Both A and B

Question 145

What do you need according to the law if you are involved in an accident?

1. Contact your car insurance provider only
2. Report to Police within 1 week
3. Report to the police immediately
4. None of the above

Question 146

You need to report to MTO if you change your address within

1. 48 hours
2. 6 days
3. 2 weeks
4. Immediately

Question 147

Suppose you reach an intersection and the red light is flashing. What does it mean?

1. Come to a complete stop, proceed when it is safe
2. Give way
3. Signals are not working correctly
4. Continue at normal speed and pass

Question 148

What is the maximum speed limit on a highway if there is no speed sign?

1. 80 km/h
2. 100 km/h
3. 120 km/h
4. 90 km/h

Question 149

How should you enter a freeway?

1. Stop and safely merge with traffic when possible
2. Slow down and safely merge with traffic
3. Accelerate to the freeway speed and safely merge with traffic
4. None of the above

Question 150

What should you do if your tire punctures while driving?

1. Stop accelerating
2. Hold steering firmly and keep the vehicle under control
3. Maintain same speed
4. Both A and B

Question 151

If you drive under the influence of alcohol, for how long will your license be suspended?

1. Depends on the police officer
2. 6 months
3. 1 year
4. 2 years

Question 152

To qualify as an impaired driver, what should be your blood alcohol level?

1. 0.05%
2. 0.08%
3. 1%
4. 0.02%

Question 153

If you have a vision-related restriction on your driver's license, is it necessary to wear glasses or contact lenses while driving?

1. True
2. False
3. Depends on weather
4. Only if you have difficulty

Question 154

According to the law, what should you do when there is a safety island and you see a vehicle is loading or unloading passengers?

1. Come to a complete stop
2. Stay at least 10 m clear of the island
3. Pass with caution
4. Both A and B

Question 155

What should you do while exiting a freeway?

1. Give proper signal and maintain vehicle speed till you are off the freeway
2. Change your speed according to the posted limit on the exit ramp
3. Move your vehicle to the closest lane to the freeway exit
